Dedication

"Honor thy father and mother both in word and deed, that a blessing may come upon thee from them."

ECCLESIASTICUS, I. 2.

Indeed the past is but a prelude to the future. Here at Monmouth and even before this, we have been training for what we will become. For helpful guidance throughout all our lives, for interest in Monmouth College, for patience with our growing pains, for the opportunity of going on with our education, for willingness to sit at home waiting for a letter, and for giving us the best of themselves, we of Monmouth College gratefully dedicate the 1960-1961 Ravelings to OUR PARENTS.

Here's To Our College

It is, sirs, a small college, and yet
there are those who love it.

Daniel Webster

The beginnings of all things are small.

Cicero

To Culture –

Music resembles poetry; in each
Are nameless graces which no methods teach,
And which a master-hand alone can reach.

Pope

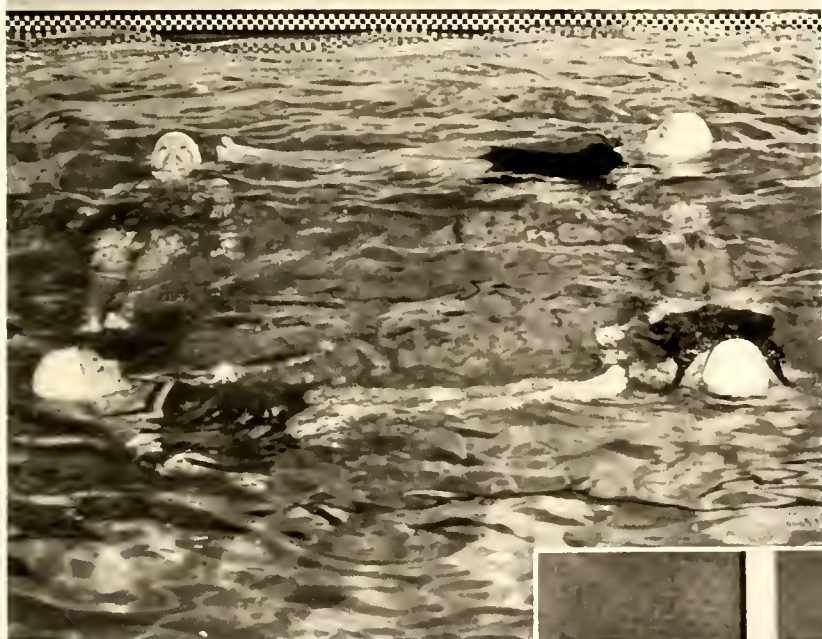

Culture is "to know the best that has been
said and thought in the world."

Matthew Arnold

To Sports

When the one Great Scorer comes
To write beside your name,
He writes not that you won or lost,
But how you played the game.

Rice

To Scholarship

All rests with those who read. A word or
 thought
 Is what each makes it to himself, and may
 Be full of great dark meanings, like the
 sea,
 With shoals of life rushing.

Bailey

To Relaxation -

There be delights, there be recreations and jolly pastimes that will fetch the day about from sun to sun, and rock the tedious year as in a delightful dream.

Milton

To Our Past

A good digestion to you all; and once more,
I shower a welcome on you; Welcome all.

Shakespeare

Faith is the substance of things hoped for, the evidence of things not seen.

Hebrews XI 1.

To Our Future

We know what we are, but know not what we may be.

Shakespeare

All's well that ends well.
Shakespeare

The President's Message

Strange as it may seem to some, the Ravelings is a very practical book. We turn to it with enthusiasm the first day that it comes off the press that we may see what pictures, what events have been recorded.

In the years to come it will be even more valuable as it reminds us of times long past and enables us to recognize friends whom we haven't seen for a decade or more.

You will do well to make sure that this book is placed where it will not be lost, for again and again you will be turning to it for important information.

Monmouth College is grateful to the committee that has made possible this splendid volume.

With a tremendous start at the beginning of the season, the Fighting Scots received a national rating for defense, and provided the student body with an afternoon of pleasure.

Plagued with injuries the Fighting Scots lost the potential drive, but had a good showing at Knox.

Although losing many senior players, the freshmen along with the returning lettermen should keep the Fighting Scots as top contenders.

Wee Scots Football

Row 1: J. Bagwell, B. Gould, W. Crum, P. Hogan, S. Ellis, D. Whiteman, M. Peterson. Row 2: K. Brennaman, H. Bollin, B. McTeague, B. Nichols, J. Garrett, J. Helmick, J. Krueger, B. Prince. Row 3: L. Keener, G. Allison, R. Baurer, K. Welbrock, J. Long, W. Wood, K. Lindsey, P. Cotter. Row 4: Assistant Coach B. Kniss, J. Johnson, J. Coziahr, S. Wherry, D. Watkins, D. Yez, B. Work, W. Foulk, Coach Larson.

This year the Wee Scots finished with a .500 mark of three wins and three losses and showed some great potential for next year's team of fighting Scots. Al Carius, Jim Brotheridge, and Harold Rathgeb led the season as the three top scorers.

Varsity Basketball

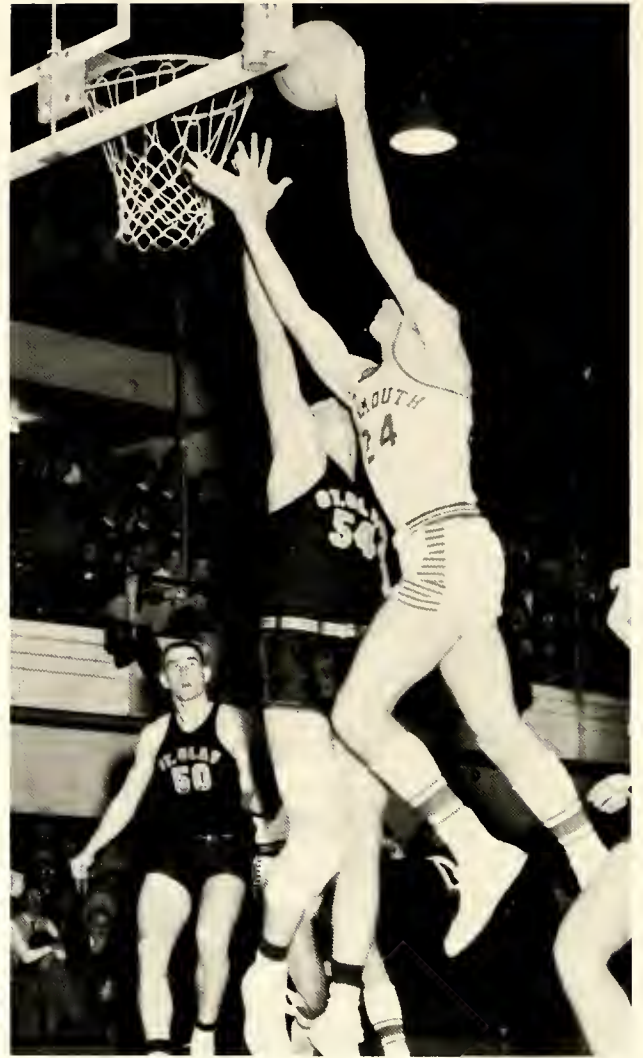

Row 1: W. De Groot, G. Larson, W. Reinsberg, J. Mell, T. Wilkinson, D. Arnold. Row 2: D. Leisman, C. McRoberts, J. Allen, J. Reasner, G. Anderson, C. Goff, G. Larson

The Fighting Scots started the season with a slow start, but picked up speed after the first eight games. Bud McRoberts was elected to the all conference team and Jerry Mell to the second team while John Reasoner was given honorable mention. McRoberts also captured the conference scoring title with a 21.2 average. Jerry Mell and John Reasner captured the eighth and tenth places respectively in the scoring race.

Graduation will take seven players, but with strong freshmen prospects, the Fighting Scots could prove to have a strong team again next year.

Fighting Scots

In Action

Wee Scots Basketball

Row 1: B. Prince, D. Moore, B. Work, H. Kelley, J. Brotheridge, P. Rutishauser, D. Petersen, manager. Row 2: J. Alexander, H. Rathgeb, D. Denney, A. Carius, A. Day, S. Lindsey, Mr. Woll.

Al Carius and Jim Brotheridge lead a promising team of Wee Scots, through a tough season. With a record of 3 and 3, the Wee Scots proved themselves well. With a large group of Scots graduating, there will be plenty of room for the Wee Scots on next year's varsity squad.

Swimming

Row 1: C. Demas, P. Ellefsen, P. Peacock. Row 2: Mr. Corporon, D. Acheson, J. Millen, B. Best.

The Scots tankmen struggled through a much defeated season, with only small consolation. Coached by John Corporon, the Scots swimmers can look forward to a more promising season next year. With a very fine group of Wee Scot swimmers, the Varsity should prove a threat for the next couple of years.

Wrestling

J. Phillips, L. Polz, C. Borine, L. Pronga, D. Carroll, W. Mammen, K. Knox, D. Harriss, J. Klusendorf.

Pin him, Ken!

The wrestling team this year gave a tremendous showing at the conference meet. Carl Borine came through with a conference championship and Deeks Carroll came through with second place honors. The Scots rolled up an impressive 5-2 record.

Cross Country

Row 1: R. Lundal, P. Amann, J. Hornaday, D. Campbell. Row 2: J. Corporon, S. Wilson, B. Best, D. Larson.

Off to a poor start the M. C. runners, with only a few men, worked hard. Soon interest grew and more turned out to help finish the season. The Wee Scot team proved to be very promising and should give the varsity runners some stiff competition for next year's starters.

Track

Up and Over

The M. C. hurdlers were off to a tremendous start by winning their own quadrangular. Glen Brooks had a tremendous season by taking first two places in the M. C. relays and setting two records. With other returning lettermen Paul Moye, Tom Bollman, Carl Borine, Bill DeGroot and Dennis Lachell and coupled with a fine group of Sophomores the track team will be looking forward to another victorious season.

Another first for Glen.

Baseball

Row 1: J. Greer, G. Markle, G. Dawson, D. Burroughs, G. Phillips, J. Mell, H. Billups, K. Rager. Row 2: D. Elliott, G. Larson, B. McRoberts, J. Allen, D. Rineberg, T. Wilkinson, H. McDaniel.

With many returning lettermen the fighting Scots should have a fine ball club this year. With Jerry Greer, who led the squad in hits last year, Jerry Mell, Don Elliott, Harry McDaniels, Ken Rager, Harry Billups, Gary Larson, Gene Phillips and John Allen. Coupled with some fine Sophomore baseball players, the fighting Scots are looking forward to a fine season. Coe again, will be the team to beat in the southern conference.

Tennis

The tennis team began the season with a handicap since top man, Frank Adam was unable to play because of a broken ankle. However, they put up a good fight by practicing long and hard and trying their hardest. The members of the tennis team are: Bill Reinsberg, Richard Wallem, Frank Adam, Larry Gibb, Rick Goodale, and Paul Kempin.

Thursday nights and Saturday mornings saw a too small but loyal and devoted crew of *Ravelings* staff members frantically thumbing through pages, drawing layouts, pasting tabs, identifying unknown faces, scribbling out copy, erasing, etc., in time to send in deadlines, some late, some sparse, to the patient printer who rolled off a better book than ever.

King David and Pi Alpha Nu

The presentation of "King David" by the choir, under the direction of Mr. Dunn, took the place of the annual "Messiah" this year. Although "King David" is not as familiar as the "Messiah," it was received as one of the most excellent productions of Monmouth's music departments in recent years.

The Pi Alpha Nu chorus, under the direction of Rosalie Easdale, presented a "Sequence in Sound" for their annual show. The program included instrumental numbers, solos, a duet, an octet, and numbers by the chorus.

Cheerleaders

The rah-rah girls, alias cheerleaders, this year were as exuberant and contagious as ever before, and they cheered those diverse athletic teams on to bigger and better things. Friday convocation saw them executing new cheers on the chapel stage, and occasional pep rallies witnessed nighttime rituals around a blazing fire. Steered by Chris Work, the crew of six aroused the masses of spectators and pep club members to keep the Scots fighting and winning.

Argonne Semester Program

Jerry Heath, physics major, prepares to analyze a solid.

Talented students aspiring toward a greater knowledge of their chosen fields in science were given a golden opportunity to increase and fortify this knowledge by attending the Argonne National Laboratory for a semester. Administered by the Associated Colleges of the Midwest, the Argonne Plan offered modern facilities and a wide range of experience to ten select and ambitious students of science.

The amount of carbon dioxide in a sample of air requires Bob Feiertag's greatest concentration.

Dr. Garrett Thiessen, advisor, observes some progress toward scientific discovery.

Washington Semester Program

Second Semester, 1961. B. Hubbard, R. Carlson, K. Harr, S. Flanagan.

A keen interest in politics and government had an outlet at the American University in Washington, D. C., where numerous chances to come into close contact with the upper echelons of democracy were given to a few qualified students second semester each year. A broad range of opportunities and a deeper knowledge of many phases of government afforded these ambitious ones some unforgettable experiences.

Freshman

This year the following four plays were presented — *A Short Walk* directed by Bill Jahn, *The Twelve Pound Look* directed by Carl Borine, *The Fumed Oak* directed by Gene Philips, and *The Boor* directed by Lu Owen. Congratulations to the freshmen who acted and worked on these plays and to the student directors for a job well done.

Charlie's Aunt

Charley's Aunt starring Bill Jahn was one of the most hilarious plays to hit the Monmouth College Campus. The fine cast did a wonderful job in this sidesplitting comedy.

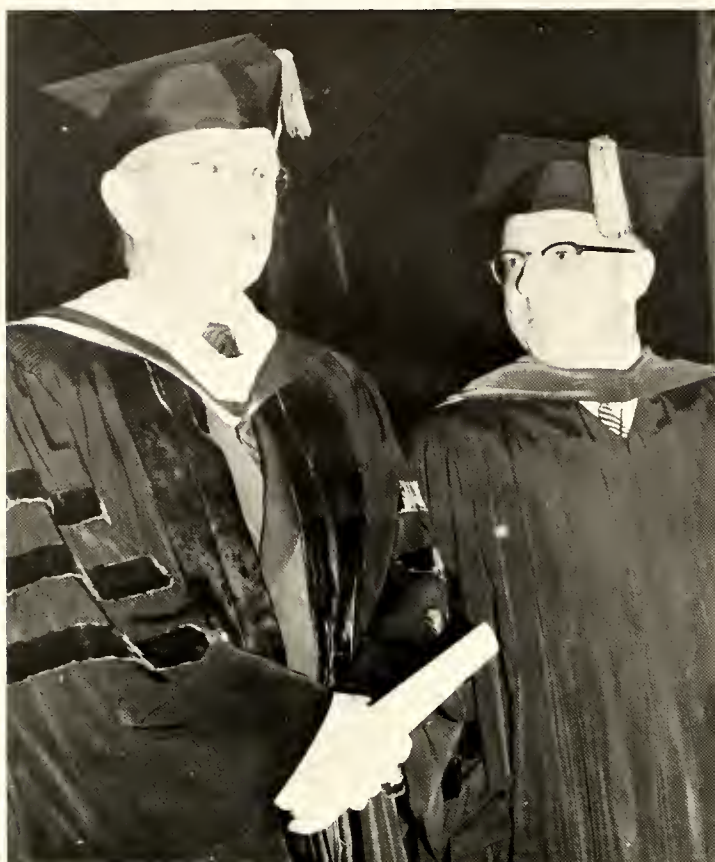

Medea

Medea by Euripides was the first Greek play to be presented on the Monmouth College Campus. In the difficult role of Medea, Betsy Galloway was outstanding. The unusual lighting and scenery helped to make this a play that will long be remembered.

Religious Emphasis Week

Reverend James J. Hine came to the campus this year from the University of Illinois and provided a very stimulating series of lectures. A dynamic and arresting speaker, Reverend Hine presented his views on many aspects of life, but specialized on marriage, choosing a vocation, and having religious conviction. A full agenda of events brought him into contact with many students in the fraternity houses, the dormitories, classrooms, and the Union; and he thus exerted an appreciable influence over the Monmouth College student body.

World University Service

In order to bring those privileges to students all over the world which we take for granted here on the American college campus, the combined efforts of the YMCA and YWCA even allowed us some enjoyment in helping those less fortunate. By sponsoring a mermaid contest, a swimming party, an auction, and a union party with entertainment, they accumulated a sizeable amount to offer to the World University Service.

Liberal Arts

Dr. Seymour Harris, Lucius Littauer Professor of Political Economy at Harvard University. A member of Harvard's faculty since 1922, he has been a frequent expert witness before congressional committees.

James Hastings Nichols, professor of modern church history at the University of Chicago Divinity School. He is a prominent Presbyterian scholar and author of numerous books and articles on church history.

Gail Kubik, a former member of Monmouth's faculty. He is presently on a two-year commission to write an opera for the city of Venice, Italy.

"The Past is But a Prelude to the Future"

With this as the theme, Monmouth College presented its second biennial Liberal Arts Festival on May 5, 6, and 7. In addition to the five outstanding speakers there were two special events put on by the members of college itself. Crimson Masque presented its interpretation of "The Great God Brown" and the Monmouth College Choir presented, "In Praise of Johnny Appleseed" a Cantata by Gail Kubik, based on the poem by Vachael Lindsay.

Festival

Lee Chesney, a member of the faculty of the College of Fine and Applied Arts, University of Illinois. He is a printer and printmaker who has exhibited widely and whose prints are represented in permanent collections in Japan, Sweden, England and American galleries.

Dr. Wild, dean of American Philosophers. He is head of the philosophy department at Northwestern University and a prolific author. Formerly he headed the philosophy department at Harvard University.

Professor Charles Smiley, chairman of the department of astronomy at Brown University. He is director of the university's Ladd Observatory and has led eleven expeditions for the observation of solar eclipses, a world's record.

Student Body Elections

Senior Weekend

February 24 and 25 brought an invasion of high school seniors to the M. C. campus and they were kept busy following a program of activities set up by the Senior Weekend Committee, headed by Jim Hornaday. Two basketball games, fraternity open houses, grand scale meals, guided tours, and a talent show were enough to impress them with life and times on the Monmouth College campus.
